

Product Recall Compliance Letter

July 19, 2021

To Whom It May Concern:

Adams Vegetable Oils, Inc. has a Recall Plan in place in the event of a product recall. The Recall Plan includes the identification of key Adams Vegetable Oils personnel and their roles in the management of the recall, the FDA contact information and all procedures to follow. A mock recall is performed once a year, at a minimum, and includes tracing the finished product or packaging materials back to the supplier and forward to the first level of distribution. Each mock recall with traceability exercise is completed in less than 4 hours with > 99% product reconciled.

Adams Vegetable Oils, Inc. has not had a Food Safety product recall in the past 5 years.

Should you have any questions, please feel free to contact me.
